

RESOLUTION NO. 2010-22

A RESOLUTION OF THE LODI CITY COUNCIL
ADOPTING THE CITY OF LODI ELECTRIC UTILITY'S
ENERGY EFFICIENCY PROGRAM TARGETS

=====

WHEREAS, California Assembly Bill 2021 (Section 25310 of the Public Resources Code) requires all publicly owned electric utilities to identify all potentially achievable cost effective electricity efficiency savings and establish a target for energy efficiency savings for the next ten-year period; and

WHEREAS, the Lodi Electric Utility is required to adopt those targets by June 2010 and to report adopted targets to the California Energy Commission; and

WHEREAS, the Northern California Power Agency contracted with Summit Blue Consulting, an independent organization with well accepted energy efficiency expertise, to provide a modeling tool to help member utilities identify energy savings potential and establish energy efficiency program targets; and

WHEREAS, the City of Lodi Electric Utility used the modeling tool and finds an energy efficiency target of 25,575 megawatt-hours to be achievable for this ten-year period.

NOW, THEREFORE, BE IT RESOLVED that the Lodi City Council adopts the City of Lodi Electric Utility's energy efficiency program target of 25,575 megawatt-hours for energy savings for the period 2011 to 2020.

Dated: February 17, 2010
